----- *end of sale, thank you* -----

So, quite a wide range of material for you to look through and I hope there's something there for you. The principal aim of the evening is to provide entertainment for members of the Salisbury Philatelic Society but this is in no way exclusive of non-club members and we'd be delighted to see you at the auction. Viewing starts at 7-15pm and continues until 8. It is anticipated the auction will last for about 1½ hours.

Postal bids are acceptable, will be treated in confidence and lots will be purchased as cheaply as other bidding allows (i.e. one bid over the next highest). Bidding steps are at the auctioneer's discretion but will not exceed 10%. Heavy lots will be sold to room bidders only.

It should be appreciated that the lots and reserves are provided by members of the Society and there is thus no uniformity to the level of the reserve price.

Any queries or requests for information should be addressed to:-
